

Deloitte Technology Fast 500 EMEA

The Deloitte Technology Fast 500 EMEA program recognizes technology companies that have achieved the fastest rates of annual revenue growth in Europe, the Middle East and Africa (EMEA) during the past five years.

Svensk Krisledning AB the company behind Crisis Commander – a business continuity communication and planning software tool, has been awarded position “107 Fast 500 EMEA Ranking” during an award ceremony sponsored by UKTI (United Kingdom Trade and Investment) held in London, England.

Ranking	Company Name	Company URL / Website	Country	Five-year Growth Rate	Technology Sector
105	iSite	www.isite-solutions.com	Republic of Ireland	1,503.32%	Software
106	eLeader Sp. z o.o.	www.algotech.co.yu	Poland	1,491.54%	Software
107	Svensk Krisledning AB	www.krisledning.se	Sweden	1,485.07%	Software

Comments:

“Because Deloitte Technology Fast 500 EMEA measures sustained revenue growth over three years, being one of the 500 fastest growing technology companies in EMEA is an impressive achievement,” said Karel Bakkes, partner in charge of Deloitte’s Technology Fast 500 EMEA program. Svensk Krisledning AB deserves a lot of credit for its remarkable growth.”

“Making the Deloitte Technology Fast 500 EMEA ranking is a testament to a company’s commitment to technology,” Karel Bakkes, partner in charge of Deloitte’s Technology Fast 500 EMEA program. “With its 1,491% growth rate over three years, Svensk Krisledning AB has proven that its leadership has the vision and determination to grow in difficult conditions.”
